Antioch Fire Losses Only \$5 for Year

Department Bettered Its Previous Year's Record of \$28 Loss

Antioch's total fire loss on buildings during the past year amounted to only \$5, the auditing committee's report showed at the annual party and election of officers, Tuesday evening in Dominick's State Line Inn. This record cast into the shade even that of the previous year, when building losses were kept down to \$28.

Automobile fire losses during the year totalled \$60. Eight fire calls were answered in the village—four for grass fires, three for automobiles and one for a fire in a building.

In the fire district, or township, the value of property in danger of fire was placed by the auditor at \$43,900, with losses registered at \$3,280.

Rescue calls numbered eight, six of which were drownings. First aid was administered in one case of electric shock and the victim restored to consciousness, and a lost child was located.

Cost Kept Low

This protection was secured at a total of only \$1,695.11 for the entire township, of which \$248.49 was for new equipment and \$250.23 for labor on equipment, the department's secretary revealed.

The balance on hand at the beginning of the year was \$429, with additional receipts of \$2,148.22. After deducting this year's expenditures, the department at the present time has a balance of \$882.11 on hand.

This has been divided into two funds, with \$352.15 in the general fund and \$529.96 in the fund for the purchase of new uniforms.

Compensation paid to firemen dur-

Plan Recreation Meeting Oct. 19

Officers to be Elected and Annual Report Given Next Thursday

The first annual meeting of the Antioch Recreation association will be held Thursday evening, Oct. 19, in the Antioch Grade school.

The meeting will be open to the public and parents and other interested residents are invited to be present, the officers of the association state.

A talk on "The Place of a Recreation Program in the Community" will be given by a guest speaker.

Officers to succeed F. O. Hawkins, the present head of the association; Mrs. E. J. Hays, secretary, and Robert Wilton, treasurer, are to be elected. R. E. Clabaugh, superintendent of the Antioch Grade school, and Miss Cornelia Roberts, who left recently to accept a teaching position in Ontario, are the other members of the board of directors.

A summary of the past year's recreation accomplishments in the Antioch region will be given.

Duck Refuges to be Described for Rod and Gun Club

A state conservation department representative will give talks on the duck refuges at Fox Lake, Lake Antioch and Grass lake at a meeting of the Antioch Rod and Gun club this evening at 8 o'clock in the high school auditorium.

The meeting will be open to the public, R. H. Childers, president, and Dr. D. N. Deering, secretary-treasurer, announce.

Members are also invited to bring guests.

Election of officers will take place during a brief business session.

Remove "KD" Tracks on 41 South of Highway 50

Rails and ties of the discontinued "KD" railroad across Highway 41 between Kenosha county highway "B" and Highway 50 have been removed, and the work of filling in the space with concrete highway surfacing was completed by a crew of workmen this week.

The crossing on Highway 83 at Salem is also being filled in.

Let's Help Firemen Keep Their Record!

With the revelation that Antioch's fire losses on buildings for the past year amounted to only \$5, it is fitting that during Fire Prevention Week, Oct. 7-14, praise be given to the Antioch Fire department for its splendid record.

It is noteworthy also that this was achieved at a cost of only \$1,695.11—a figure which also includes the cost of fire protection given outside the village, in the township.

This week the department is starting what it hopes will be another record year by making inspections of all business places and schools. Co-operation with the inspectors' suggestions will help to hold Antioch fire losses to their present status of almost nothing.

Hold Requiem Mass at St. Peter's for Cardinal Mundelein

While the pall of mourning still hung over the orphaned archdiocese of Chicago, St. Peter's held a special parochial memorial Mass for his eminence Cardinal Mundelein, who died suddenly at his Lake County home at Mundelein, Illinois. The Mass was sung by the pastor Monday morning at 8 o'clock. Cardinal Mundelein was a notable figure in church and state. A man of remarkable executive ability and keen foresight, during the twenty-four years of his career as head of the Chicago archdiocese Cardinal Mundelein proved to be an outstanding leader in the cause of religion. The monuments to his zeal are innumerable. The beautiful St. Peter's church at Antioch is only one of hundreds of institutions brought to completion under his direction. He was vitally interested in the progress of this parish. On one occasion at a large gathering he referred to the church at Antioch as one of the most beautiful churches

CARDINAL MUNDELEIN

in the country. Many and varied as were his material activities it must not be forgotten that, as the Chicago Daily News stated editorially, "he was primarily a builder in the realm of the spirit." In its appreciation of his career the Chicago Daily News also stated, "It is for his triumphs in the field of spiritual architecture that Cardinal Mundelein deserves to be enshrined in the memory of a grateful people, and it is upon this score that he claims the homage not only of his own church followers but of every loyal citizen."

Rev. Fr. Frawley, local pastor, said:

"While the world may proclaim him as one of the prominent figures of his day and while his church endowed him with the cardinalatial dignity, those who had the pleasure of knowing him intimately realize that he was a man of a friendly and simple disposition."

Salem Woman Injured By Accidental Gunshot

Mrs. Mary Moos, Salem, whose wrist was injured when a gun in the family car was accidentally discharged as the vehicle was parked in front of the Antioch post office Friday morning, was reported to be recovering this week.

The gun had been loaded with shot for wild fowl by her son, Nick Moos, who accompanied her, and was placed at the back of the seat cushions. The trigger is believed to have become caught in the upholstery, and to have been discharged by the change in pressure on the cushions.

Bystanders rushed to the aid of the woman at the sound of the gunshot, and assisted her to the office of a local physician, where the wound was treated.

The crossing on Highway 83 at Salem is also being filled in.

Village Board Awards Street Improvement Job

Central Improvement Co. of Waukegan Is Low Bidder at \$2,942.05

The Central Improvement company of Waukegan was awarded the street improvement job on North avenue at a special meeting of the village council Wednesday night. The company's bid for grading, draining and blacktopping of the 1,300 feet from North Main street to the west village limit was \$2,942.05. Two other bidders submitted figures above \$3,000.

The job is to be paid for out of the village's share of state gas tax refunds. Part of the money is available now and the balance will be on hand before the completion of the work, village officials said.

League Makes Futile Fight

A long fight against the present method of distributing gas tax refunds in this state has been made by the Municipal League, which believes the tax money collected from this source should be turned back to the communities minus the "red tape" now inflicted by the state and which eats up a large percentage of the funds that could be turned to constructive purposes instead of into the purses of all too numerous payrollers. Thus far the League has accomplished exactly nothing in its efforts to have the system revised.

Payrollers Get Our Money

While it has been pointed out that the gas money thus returned to the communities really belongs to them, many municipalities deplore the fact the present methods of handling involve a large army of payrollers who direct the expenditure of the people's money to the last detail. The hand of politics is seen in the fact that municipal officials who show aptitude to "listen" well receive most consideration in the matter of getting their projects completed.

Due to the state administration's "red tape," and the present method of handling projects involving labor in Lake county, the North avenue job in Antioch will cost at least 50 per cent more than the work would cost if handled locally, officials say.

County Catholic Youth Federation To Hold Meeting

The first meeting of the Lake County Catholic Youth Federation for the Fall season was held Monday evening in St. Mary's Auditorium, Lake Forest. Plans were discussed at the meeting for the annual Day of Recollection to be held at St. Peter's in Antioch, on Sunday afternoon and evening, beginning at 3 o'clock, Oct. 22. This event is one of the most unusual on the federation's calendar of activities. An afternoon spent in recollection and prayer in the beautiful environment of St. Peter's is looked forward to with much interest by the members of the federation.

Delegates, members of parish young people's clubs and federation members from all over the county will gather at St. Peter's for a few hours of spiritual guidance and advice from the Reverend Harold Kenney, assistant to Bishop Sheil, who is now the Administrator of the Archdiocese of Chicago.

Miss Jean Stratton of Fox Lake is chairman of the Catholic Action committee, which is handling the affair. Other officers of the federation are Paul Klock, of St. Joseph's, Libertyville, president; Vernon Meintzer of St. Mary's, Deerfield, vice president; Mrs. Albertine Vassau of Wauconda, secretary, and Joseph Fincutter, of St. Anastasia's, Waukegan, treasurer.

The Antioch delegates at the meeting included the Reverend Walter Morris, Mary and Vivian Cosgrove, Mildred and Charles Cermak.

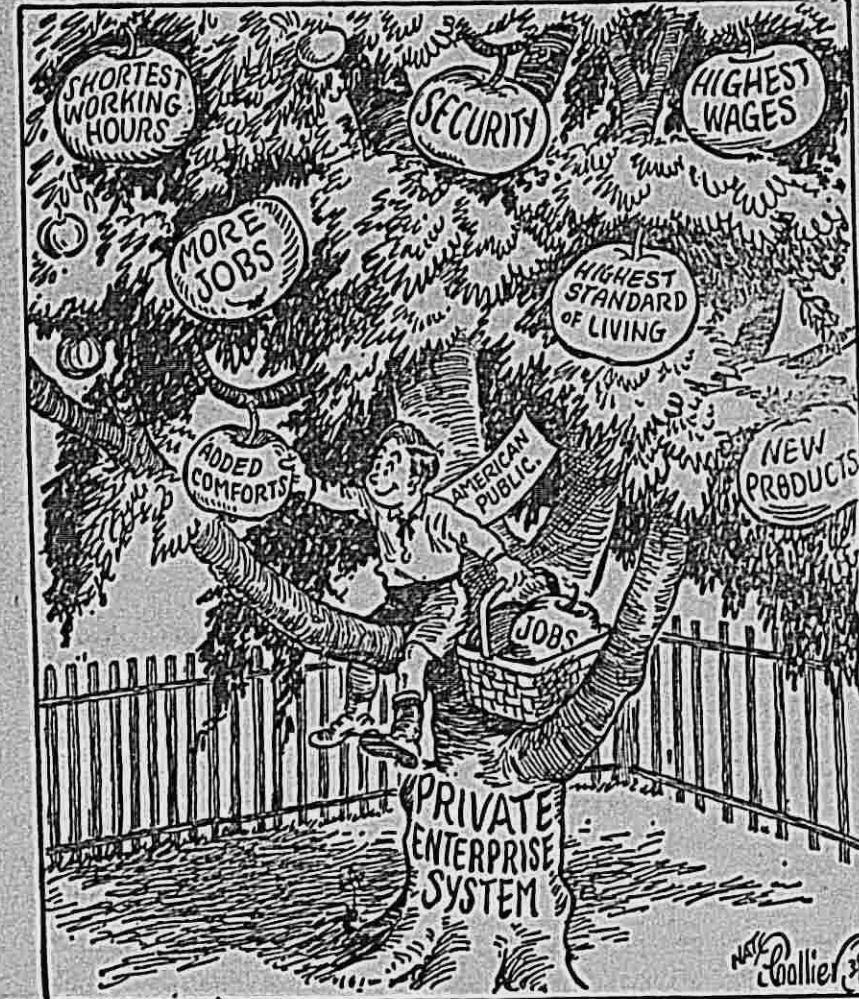

Civic Club To Hear Newspaper Photographer

"Newspaper Photography" will be the subject upon which James McNeeny, photographer for the Waukegan News-Sun, will address the members of the Antioch Civic club at a meeting Monday evening, Oct. 16.

The talk will follow a 7 o'clock dinner at the Roberts Merry Glen hotel on Lake Marie.

Pictures will be used by Mr. McNeeny to illustrate his descriptions.

IN HIS OWN BACKYARD

Firemen Extend "Open House" to Friday Evening

Owing to the many requests of persons who would like to attend the Antioch Fire department's "open house" at the station Friday but will be unable to be present in the afternoon, the reception will also include the evening, it was announced today.

In the afternoon, visitors will be received from 1 to 5, and in the evening, from 7 to 9.

Coffee and doughnuts will be served.

Shady Nook Group Will Incorporate New Association

Shady Nook Park association will incorporate, Dr. Haldor Carlsen, secretary and treasurer of the newly formed organization, told the News today.

Already the recently formed association has launched its program for civic improvement in Shady Nook community with the erection of signs bearing the names of residents and also roadway signs.

"The residents of Shady Nook feel a very justifiable pride in their community," Dr. Carlsen said, "and they wish to carry out a program of improvement that will make Shady Nook an outstanding settlement in the lakes region. Our program will be designed to make residents here more community conscious, and also to apprise them of the advantages and facilities offered by surrounding communities to the mutual benefit of all."

Other officers of the new association include LeRoy Olson, president, and Dom. Zeien, vice president. All are old residents of Shady Nook.

Fans of Spoken Drama Hail Opening of Rotnour Season

Lovers of the "flesh and blood" drama are today noting with anticipation the opening of the J. B. Rotnour stage company's season here next Thursday evening, Oct. 19, at the Crystal theatre.

"J. B.'s" players, who for over a decade have included Antioch in their repertoire circuit, will give as their first play, "Too Much Mother-in-Law."

A larger company than ever before will take part in the stage productions this year, Mr. Rotnour announces.

The casts will include Miss Dorothy LaVerne, "Ducky" Vernum, Jewel Townsend, Ruby Lang, Jimmy LeRoy, James Lawler, Emile Conley, Jack Parsons, Arthur Vernum, Len Lang and J. H. Adams.

Made Northern Tour

The Rotnour company has just returned from a northern tour, completing its regular summer season under canvas.

It is showing here in co-operation with local merchant, and free tickets may be obtained from concerns listed elsewhere in this issue.

T. M. Palaske motored to DeKalb Friday to bring his son, Otto, who is a student at DeKalb State Teachers' college, home for the week-end.

W.P.A. Grant For Village Hall Rejected

Mayor Bartlett Receives Formal Notification from Washington

Antioch's application for a Public Works Administration grant for part of the cost of erecting a new village hall has been definitely turned down at Washington, Village President George B. Bartlett was informed in a letter from E. W. Clark, acting commissioner of public works.

In the form letter sent out by Mr. Clark, he says:

"Inasmuch as the Congress has now adjourned without taking any action which would authorize the Public Works Administration to make further allotments, there is nothing we can do at this time regarding the above referenced application and, therefore, we are returning it to you and closing our files on the case."

"The P. W. A. appreciates your cooperation in submitting this application for its consideration in connection with the program heretofore authorized by the Congress, and it is regretted that an allotment could not have been made for the project."

Asked \$13,900

Antioch's application for a grant asked for the sum of \$13,900, to be added to \$17,000 which would be raised by the village through other means, bringing the total estimated cost of the building to \$30,900.

The \$17,000 would include \$3,500 which the village already had on hand in its building fund, and \$13,500, for which bonds were voted in a special election Oct. 4, 1938, before the P. W. A. application was sent in.

It was felt in some quarters that the general Republican inclinations of Antioch, which did not offer an overwhelming possibility of Democratic votes to be cultivated, might have had a shade of influence against the receiving of the grant. Pointing out that other communities with strong Republican majorities also seem to have experienced some disappointments along this line, these critics have also called attention to the fact that Chicago, held to be strongly Democratic, experienced an "award to the faithful" in the form of a grant of seven million dollars for a subway.

To Go Ahead

In spite of the disappointment of not receiving the grant, the village officers are going ahead with plans for the ultimate construction of the much-needed new village hall, Mayor Bartlett announces, and are studying means for raising the additional sum needed.

While the grant would have made possible a more speedy construction of a new hall to house offices of village officials and fire equipment and to provide for a larger community auditorium than is now available, dependence on village resources will lessen the number of "strings" attached, he points out, and local rather than government specifications can be followed.

May Revise Plans

The village has already expended money for the drawing up of architects' plans taking into account all government grant specifications.

However, it is felt that with greater freedom to consult purely local needs, these plans may be "streamlined" somewhat, and undergo changes in the interest of village and community convenience.

The site for the hall, on the southwest corner of Main and Orchard streets, has been owned by the village for some years in anticipation of the time when a new hall on a more commodious site would be needed.

The site, formerly occupied by the Antioch hotel, which was managed by Michael Golden for the city, has been cleared. Razing of the hotel, long a village landmark, was completed earlier in the year, and the grounds were arranged to allow for a free automobile parking space. Adjacent to the site of the proposed hall is a village park, which is expected to add to the beauty of the tree-shaded setting.

Plant 22,000 Black Bass In Channel Lake

Twenty-two thousand baby bass have a new home in Channel Lake. The young fish were planted there last week by officials from the Spring Grove state hatchery with the aid of Tom Farrell and Ed Sorenson.

The fish will be large enough for the pan two years hence, hatchery men said.

State Auditor Authorizes Third Payment of Deferred Certificates at State Bank

A third ten per cent disbursement on the Deferred Certificates of the State Bank of Antioch has been authorized by Edward J. Barrett, Auditor of Public Accounts. Beginning October 14th 1939 this payment will be available to all those presenting their Deferred Certificates.

Conflagrations Still Happen

"The day of conflagrations is not past," says F. D. Layton, President of the National Board of Fire Underwriters. And he has plenty of evidence to support his statement.

Last May a Chicago granary fire and explosion devastated an area one-fourth mile square, took eight lives and destroyed property valued at more than \$3,000,000. Earlier in the year, fire razed a business block in Sandusky, Ohio, causing a million-dollar loss. Several buildings went up in smoke in Halifax, Nova Scotia—to the tune of \$800,000.

As Mr. Layton also says, "The threat of great fires is present in most cities." Inadequate or outmoded building codes—the existence of ancient firetraps and tenements—poorly organized fire fighting facilities—unstable water supply—these are a few of the hazards that may, at any moment, produce a hell of smoke and flame which will leave death and destruction in its wake.

Further, the conflagration danger is not confined to the larger cities of the country. A quarter-mile fire such as that which occurred in Chicago is soon forgotten in a metropolis—a fire of similar size in a small town would destroy it completely. In many of the small communities a single factory is the main source of the town's jobs and income. If that one factory burns, a blow is struck from which the community may never be able to recover.

Here is where the cause of fire prevention comes straight home to us all. To help prevent fire is a personal job.

The Consumer Benefits Too

Commenting on the action of agricultural marketing

cooperatives in formulating marketing agreements in an attempt to bring order out of chaos, Secretary of Agriculture Wallace recently said: "While these marketing programs are intended primarily to serve the interests of producers, specific safeguards for consumers are set up. Any program that is adopted must be a reasonable program from the standpoint of both producers and consumers."

The principal marketing cooperative organizations have long realized this. While bringing their members a fairer share of the final selling price of what they produce, they have likewise assured the consumer a steady, reliable supply of high quality products at a reasonable cost. That, in the case of perishables especially, is a highly important service.

The good marketing co-ops, in short, want a living wage for their members—but they aren't out to soak the consumer.

A Democratic "Purge"

The word "purge" was born of dictators and has an unholy sound to Americans. It never appeared in the United States vocabulary until the New Deal Brain Trust adopted it last year to liquidate at the polls Democratic senators who had declined to be rubber stamps.

Now Congressman Dies, a Texas Democrat and chairman of the House Committee investigating un-American activities, has designed a "purge" which will bring no offense to democracies. He intends to drive the Communists from the Federal government.

"The report of our national investigation will be more far-reaching than any one now imagines in unmasking Communists in the Government service," Mr. Dies announced.

"And I don't mean clerks and small fry. I mean that Communists have risen high in the government and hold important key positions. This is particularly true of the New Deal agencies. Radicals gravitated to them naturally."

More power to you, Mr. Congressman. May your purge be efficient, successful, and permanent.

TREVOR

Mrs. William Kruckman and father, Hiram Patrick, of Burlington, spent Sunday afternoon at the Sarah Patrick home. Mr. Patrick remained for a few days' visit with his sister.

Mrs. Luana Patrick accompanied Mr. and Mrs. Byron Patrick of Salem to Rockford Sunday to visit the former's niece and children, and also to call on the latter's husband, who is a patient at the Municipal Sanatorium located in that city.

Mrs. William Evans and Mrs. Earl Elfers called at the David Elfers home in Salem Wednesday.

Mrs. William Boersma accompanied Mr. and Mrs. Paul Ganzlin to Kenosha Tuesday afternoon.

Elaine and Priscilla Allen accompanied their uncle, Everett Allen and family, Sunday to Chicago, where they visited relatives.

George Schmidt of Fox River, Mrs. Champ Parham and Mrs. Jessie Allen were Kenosha visitors the first of the week.

Mrs. James Walsh, Mrs. William Evans, Mrs. Earl Elfers and Mrs. Neil Runyard spent Tuesday afternoon at the John Holzschuh home, the occasion being the birthday anniversary of Mrs. Holzschuh.

Mrs. Mary Smart, Antioch, spent Tuesday with Mrs. Joseph Smith.

Kraut making is in progress at the Vogler-Schillo factory here.

Mrs. Charles Thornton, North Fond du Lac, spent Wednesday afternoon at the McKay home.

The Liberty and Barnard school children were at Trevor Wednesday afternoon, when the Kenosha Boosters club paid its annual visit.

Mr. and Mrs. Charles Oetting were Silver Lake callers Wednesday morning.

Mr. and Mrs. Russell Longman visited Wednesday evening with the latter's sister and husband, Mr. and Mrs. Fred Reichert, at Grayslake.

Mrs. Jessie Allen accompanied Mrs. Charles Oetting Wednesday to Kenosha, where the latter is serving on the jury in the Municipal court.

Mrs. Floyd Horton will entertain the Willing Workers' Society Thursday afternoon at her home in Antioch.

Mr. and Mrs. Collins and family visited Sunday at the Rohland Glass man home at Paddocks Lake.

Henry Oetting and grandson, Buddy Longton, of Oak Park, were callers at the Charles Oetting home Thursday.

Mr. and Mrs. Walter Baethke, Antioch, were callers at the parental home Thursday evening.

Mrs. Joseph Smith and Mrs. Charles Oetting were Kenosha shoppers Friday.

Louis Oetting accompanied the agricultural class to Madison Thursday for the judging contest, returning Saturday night.

Mr. and Mrs. Allen Copper and son, Dennis, Chicago, spent Sunday with the former's mother, Mrs. Mattie

Copper. Sunday afternoon they called on Gertrude Copper at the Kenosha hospital.

Mr. and Mrs. Charles Knickriem and grandchildren, Delores, Arthur Jr., and Edgar Baethke, Forest Park, visited the latter's grandparents, Mr. and Mrs. A. J. Baethke, Sunday afternoon.

Mr. and Mrs. Harry Parks, Chicago, spent the week-end at Diane lodge.

Week-end visitors at the Charles Oetting home were their daughter and husband, Mr. and Mrs. Howard Matthews and son, Charles, Oak Park, and Fritz, of Berwyn.

Joseph Holley, Oak Park, spent the week-end with his wife at the McKay home.

Anthony Collins, Antioch, and Milton Patrick attended the football game in Kenosha Sunday.

Mr. and Mrs. Irving Elms and daughter, Louise, of Antioch were Sunday afternoon visitors at the Charles Oetting home.

The Novotny families of Chicago spent Sunday at their cottage in Trevor.

MILLBURN

The regular monthly business meeting of the Christian Endeavor society was held at the Herrick home Friday evening. The society has divided its membership into four commissions, each commission to be in charge of one Sunday evening meeting each month. The four leaders are Robert Denman, John Edwards, Lois Bonner and Louise Jones.

The Ladies Aid society had a large attendance at the meeting held at the church last Thursday. Dinner was served to 110 persons at noon by the October committee, Mrs. J. S. Denman, Mrs. Gordon Bonner, Mrs. Willis Webb, Mrs. Warren Hook and Mrs. Charles Lucas. During the business meeting plans were made for the bazaar and committees were read for the various departments of the bazaar and roast chicken dinner which will be held Friday evening, Nov. 3.

Sunday was Rally Day at Millburn

church with a good attendance for the program given at ten o'clock, with members from all the divisions taking part. Consecration of teachers and officers of the Sunday school was held during the church service at eleven o'clock.

The officers of the church, also their wives, were entertained at the Carl Anderson home Friday evening.

George DeYoung, Andrew Mair, Everett Truax and John Edwards attended the Sox-Cubs game at Chicago Wednesday evening.

Lois and Dorothy Hunter and Marion Edwards of Oak Park were weekend guests of Elizabeth Hughes.

Mrs. Robert Miller's Sunday school class, "The Young Crusaders," held their regular meeting at the home of

Edwin Jones Thursday evening.

Mr. and Mrs. Earl Kane, Jr., of Diamond Lake are the parents of a daughter born at Condell Memorial hospital in Libertyville Saturday, Oct. 7th. The baby, who has been named Donna Grace, is the first grandchild of Mr. and Mrs. J. S. Denman.

Mr. and Mrs. E. A. Martin and Richard attended the State Conclave of the Knights Templar in Chicago Sunday. Mr. Martin marched with the commandery in their parade.

Mrs. O. L. Hollenbeck is spending a few days with her daughter, Miss Shirley Hollenbeck in Highwood.

Mr. and Mrs. Horace Culver and daughter, Jean, drove to Morris, Ill., Thursday, where Miss Jean remained with a friend over the week-end.

Mr. and Mrs. Jos. Strohal and daughter, Mrs. Charles Lucas, spent Tuesday in Chicago.

Mrs. Frazier Hollenbeck of Jersey City, New Jersey, is spending some time with relatives in Lake county and was a supper guest at the O. L. Hollenbeck home Thursday evening.

Mr. and Mrs. Will Miller of Sand Lake were guests for dinner at the Ralph McGuire home Sunday.

Lyman Bonner and Lloyd Strong returned home Saturday from a ten day motor trip through the east, visiting Niagara Falls, Washington, D. C., and the New York fair.

Earl Bauman and Miss Gladys Heckelstewler of Ivanhoe were guests Sunday afternoon at the Robert Bonner home in Waukegan Sunday.

WHEN GRANDFATHER TRIED TO SHOUT ACROSS TOWN

• The clear, quick, dependable telephone service we enjoy today didn't just happen; it is the result of more than 60 years' hard work on the part of the men and women of your Telephone Company.

Improvements and enlargements in telephone service have been continuous. Today, Illinois Bell telephones number 1,400,000—and telephoning is easy enough for small children to learn. Telephone service is so cheap

that we use it for minor as well as important messages—to save time, trouble, worry and expense! 23,000 men and women of the Illinois Bell Telephone Company operate and maintain your facilities with unceasing care and vigilance. To them, the telephone business is an opportunity to serve—their devotion to it has helped bring you more service, and better service, at the lowest possible cost!

ILLINOIS BELL TELEPHONE COMPANY

OLDSMOBILE goes BIG FOR 1940

BIGGER and BETTER in Everything!

BIGGER AND BETTER APPEARANCE!, BIGGER AND BETTER SIZE!, BIGGER AND BETTER BODIES BY FISHER!, BIGGER AND BETTER "RHYTHMIC-RIDE" CHASSIS!, BIGGER AND BETTER ENGINE IN "60" .. WITH BIGGER AND BETTER SAVINGS IN GAS, OIL AND UPKEEP!

BIG NEWS for 1940 is the bigger and better Oldsmobile... three stunning new cars... each a bigger and better value! Buyers of low-priced cars will find the new Sixty longer and roomier, with a 95 H.P. Econo-Master Engine that saves still more on

AMERICA'S DIGEST MONEY'S WORTH!

fuel. In the popular-price field, the new Seventy is larger and finer than ever. While for its eight-cylinder clientele, Oldsmobile introduces the new Custom 8 Cruiser, a longer, wider Eight that's deluxe throughout. See the new Oldsmobiles today!

PRICED FOR EVERY BODY! Coupe, \$1,807 and up. Sedan, \$1,833 and up. Delivered at Lansing, Mich. Car shown in large picture above: "Sixty" Coupe, Touring Sedan, \$1,899. Price includes Safety Glass, Chrome Window Reveal, Bumpers, Spare Wheel, Tire, Tube, Dual Exhaust Pipe, Headlights, Windshield Wipers, Vacuum Booster Pump, 2 Sun Visors. Transportation based on 15¢ per mile, state and local taxes (if any), optional equipment and accessories extra. Prices subject to change without notice.

OLDS INTRODUCES HYDRA-MATIC DRIVE!

NO GEARS TO SHIFT! NO CLUTCH TO PRESS!

For years it's been coming and now it's here—Hydra-Matic Drive, an amazing combination of fluid coupling and fully automatic transmission! It reduces driving to its simplest terms. All you do: (1) Steer, (2) Step on it and (3) Stop! Oldsmobile's exclusive Hydra-Matic Drive is the one BIG engineering advancement of 1940 and it's optional at only \$57 extra cost on all Olds models for 1940!

WEEKLY NEWS ANALYSIS BY JOSEPH W. LABINE

Expanding Soviet Domination
Presents Threat to Germany;
Afghanistan Drive Predicted

(EDITOR'S NOTE—When opinions are expressed in these columns, they are those of the news analyst and not necessarily of this newspaper.)

Released by Western Newspaper Union.

RUSSIA:

Kiss of Death?

A welter of confused comment came sharp on the heels of Russia-German partition of Poland, trade agreement and promise to co-operate for European peace. Even Japan, long friendly to Germany, attacked the Reich in its press. Sum total of comment was that Russia's Dictator Josef Stalin is interested only in himself, and that Germany must eventually discover it has kissed death.

Baltic. Heavy was the activity here (See map). The Russian bear's big red paw reached into Estonia and made it a virtual protectorate harboring Soviet naval and air bases. Next it reached into Latvia for the same purpose, so unexpectedly that Foreign Minister Vilhelms Munters scooted off to Moscow and signed a treaty. Next it side-swiped Lithuania, nominally within Germany's sphere of influence, appropriating transit privileges from the Baltic seacoast to inner Russia. No commentator needed to stretch his imagination to see the reason: Russia, not trusting her Nazi accomplice, is merely strengthening her Baltic position.

TWO BALKAN question marks were left. First, Finland wondered whether she would be called to Moscow, like her Baltic neighbors. Second, the Soviet made arrangements to rent Finnish, Danish, Norwegian and Swedish boats to haul timber from the White Sea to Britain in defiance of the Nazi blockade.

Balkans. Having intended to stay in Moscow only three days, the Turkish delegation headed by Foreign Minister Sukru Saracoglu remained two weeks, apparently representing all Balkan states. Anybody could guess what was in the air, but many observers believed Russia sought to neutralize the Black sea, control the strategic Dardanelles and thus assure herself a free hand to move against Afghanistan and thence to India, both within Britain's sphere of influence.

THE WAR:

No Peace

Consigned to the inside pages of U. S. newspapers were reports of actual knife-to-knife combat in Europe's war. Germany laughed over a British claim that bombers had "raided" Berlin with propaganda leaflets. German troops were beaten back a bit in the Saar, one engagement featuring point-blank shelling between tanks. The long-missing pocket cruiser Admiral Scheer popped up off Brazil to sink a British freighter; a German sub sank a Finnish boat; a British mine outpointed a Norwegian steamer off Singapore.

But this was merely one side of war. As customary in the war of 1939, most news came from state council chambers or from the speakers' rostrum.

Armed with his "kiss of death" pact with Russia (see above), Adolf Hitler proposed to force peace upon the allies, proposed further that the mediation should come through his erstwhile friend to the south, Benito Mussolini.

To Berlin went Italy's Foreign Minister Count Galeazzo Ciano for what was reputed to be a stormy conference in which the Reich was charged with introducing the Soviet threat into Europe and thereby causing Italy to lose faith in the axis.

Meanwhile, Der Fuehrer got the answer to his speech in advance. Prime Minister Neville Chamberlain told the house of commons the war must go on until Hitlerism is crushed.

No one expected anything new in

the reichstag speech. Word got around that Hitler would end the war on terms including: (1) removal of international trade restrictions; (2) creation of some form of Polish state under German supervision, and readjustment of the Czechs' status; (3) general disarmament. But the speech itself was far less specific. There was a plea for armistice and a conference. "Since this problem must be solved it would be reasonable to start . . . before millions . . . have sacrificed their lives."

At Sea

There was no capitulation over Poland. In substance: Poland's future will be determined by Germany and Soviet Russia alone. A Polish state may be created, also a separate regime for Jews.

In tow, the 90-minute harangue offered nothing new. On the western front, French soldiers merely tightened their belts and sighed. There would be no peace.

Never has Germany accepted responsibility for sinking the Athenia, British vessel sunk mysteriously off Ireland's coast the day Britain declared war on Germany. The German charge: That Britain herself sank the boat, hoping to drown its American passengers, pin the blame on Germany and thus draw the U. S. into Europe's war.

A month later Germany's Grand Admiral Raeder did a strange thing. Through the U. S. naval attache at Berlin he sent word that the Iroquois, Caribbean vessel chartered to bring refugees home from Britain, would be sunk with her 584 American passengers in the same manner as the Athenia.

PAN AMERICA:
Insulation?

This month, for the first time in its century-old existence, the Monroe doctrine grows water wings. Biggest accomplishment of Panama City's recent conference of 21 American nations was the 300-mile "safety belt" around both northern and southern continents, inside which Europe's belligerents are denied activity on land, sea or in the air (See Map).

Immediate reaction of wizened seamen and diplomats was to brand the "safety belt" impractical. First,

NO TRESPASSING! ZONE
Insulation is expensive stuff.

each American nation may decide for itself whether to refuse belligerent submarines. (Argentina will, thus inviting violation.) Second, most of the patrol responsibility fell on generous Uncle Sam, who thereby found himself minus ships to safeguard his own waters. Third, shippers decided the safety zone would permit German ships now based in American ports to continue their inter-American trade.

Meanwhile, the U. S. planned to make hay in South America. For more than a month business men have waxed enthusiastic over new trade possibilities below the equator now that European factories are busy making cannon. To his press conference, President Roosevelt indicated he will ask congress to increase the Export-Import bank's credit authorization from \$100,000 to \$500,000,000 next January.

THE ANTI-OCH NEWS, ANTI-OCH, ILLINOIS

CONGRESS:
Oratory

Minus the strength of his convictions is the man who can be swayed by oratory. This purpose, however, stood as a ghost beside every man who shouted in the U. S. senate chamber, which, in the first days of October's bright blue weather, was over-run with oratory. The issue: Neutrality; whether to keep the arms embargo now enforced against Europe's belligerents, or to substitute "cash-and-carry" in which belligerents could buy what they pleased, taking it away in their own ships.

One by one the flower of the senate's far-famed oratory club rose and pleaded that the one sure way of getting the U. S. into war is to (1) repeal the arms embargo, (2) retain the arms embargo. Idaho's Borah, Nevada's Pittman, Michigan's Vandenberg, Texas' Connally, Washington's Schwellenbach, North Dakota's Nye and Louisiana's Overton led the parade.

Sample repeal talk (by Connally): "Unless the act is changed the United States will be brought to the brink of war, perhaps plunged into its dark and cruel depths."

Sample anti-repeal talk (by Vandenberg): "I do not say that repeal precipitates us into the war . . . in the long view, I do not believe we can become an arsenal for one bellicose without becoming a target for another."

After a week of this sort of thing

some tremors began . . . were apparent. Majority Leader Alben Barkley claimed realists had picked up "one or two votes."

More important, however, the once vague issue was sifting down and its rough spots were becoming apparent. Among them: Should 90 days' credit be allowed? Shouldn't

TEXAS' CONNALLY

"...into its dark and cruel depths."

credit restrictions be applied against residents of belligerent nations as well as the nations themselves? How were "belligerent waters" to be defined; would they include ports of Canada, Australia, Hongkong and other Franco-British possessions?

The credit issue evoked most debate. Thoroughly dis-

engaged any credit after the way European nations have failed to repay war debts, Missouri's Sen. Bennett Champ Clark and Minnesota's Sen. Ernest Lundeen dragged out a weather-beaten suggestion: That France and Britain surrender their western Atlantic insular possessions (Bahamas, Jamaica, Newfoundland, Trinidad, etc.) to the U. S.

WHITE HOUSE:
Statecraft

In Paris, U. S. Ambassador to Poland Anthony Drexel Biddle paid his first official call on the new president of Poland-on-wheels, Wladislaw Raczkiewicz. In Washington, Secretary of State Cordell Hull issued a statement that the U. S. will continue to recognize Count Jerzy Potocki as Polish ambassador, and refusing to recognize that nation's seizure by Germany and Russia: "Poland is the victim of force used as an instrument of territory . . . Mere seizure of territory, however, does not extinguish the legal existence of a government."

By the same token, the U. S. said nothing about Poland's \$179,000,000 war debt, which Germany and Russia wouldn't pay anyway. When Austria was seized by the Reich, the U. S. promptly blundered by handing Austria's war debt bill to Herr Hitler, not realizing this constituted tacit U. S. recognition of the seizure. When Czechoslovakia was captured, the U. S. said nothing. Poland, likewise.

Trend

How the wind is blowing . . .

RADIO—Banned, all broadcasts by spokesmen of controversial issues except in the public forum manner, by action of the National Association of Broadcasters. Reason: Too many religious attacks and counter attacks. Hurt by order: Detroit's outspoken Rev. Father Charles E. Coughlin, New York's Judge Joseph J. Rutherford and Toledo's Rev. Walter Cole.

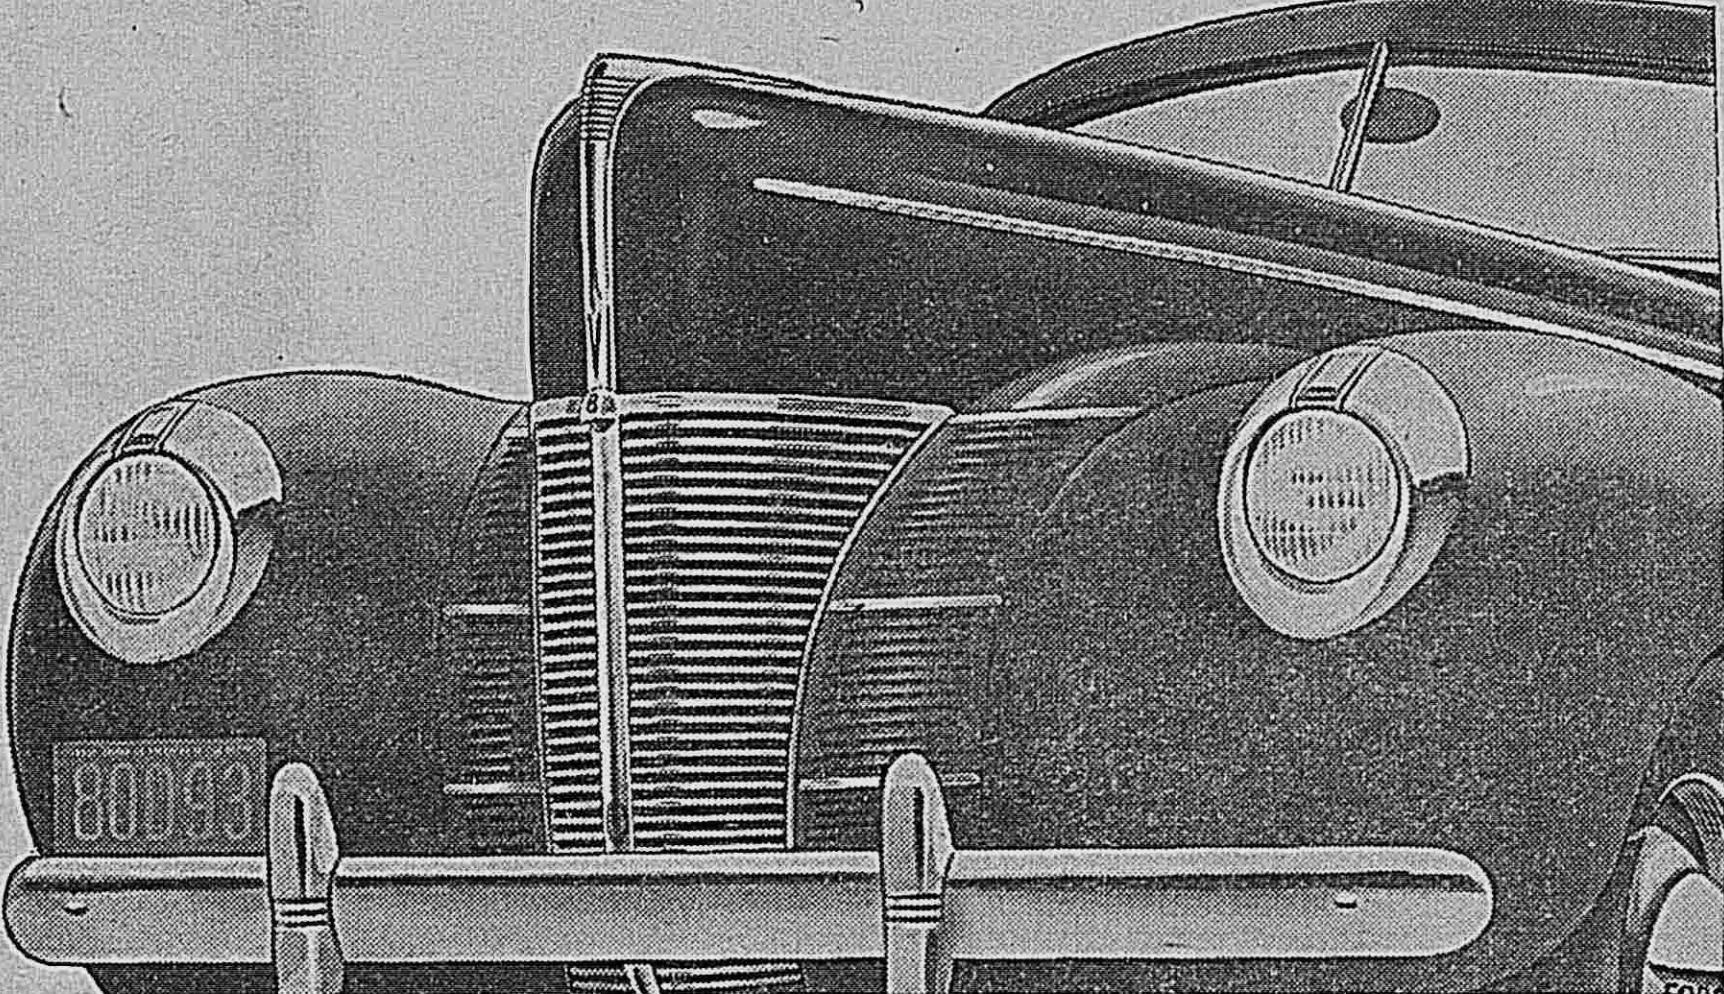

LABOR—At Washington, the U. S. circuit court of appeals held the department of labor had "illegally and arbitrarily" exceeded authority in determining minimum wages for the iron and steel industry.

RELIEF—Of \$250,000 appropriated for European war relief by the American Red Cross, \$50,000 has been sent direct to Germany, and \$25,000 to Switzerland, to care for Polish refugees.

Finds Aquatic Plant

Ending a search conducted by botanists for 70 years, Herbert L. Mason, curator of the University of California herbarium, has discovered flowering specimens of the Wolfsella, a small aquatic plant, in the marshes of the San Joaquin valley. The flower is about the size of a pin point.

Announcing THE NEW FORD CARS FOR 1940

22 important improvements, added to fundamental Ford features, represent the most advanced engineering in the low-price field

WHAT do the Ford cars for 1940 offer to match their brilliant new beauty? New comfort, convenience, quiet, safety—and the roomiest, richest interiors ever designed for a Ford car.

They have a host of interesting new features. Finger-Tip Gearshift on the steering post. An improved transmission, unusually easy to shift. New Controlled Ventilation. Improved shock absorbers. Softer springs, improved spring suspension and a new ride-stabilizer.*

A combination of new features makes the new cars quieter in operation. They have big, powerful hydraulic brakes. They have new Sealed-Beam Headlamps that are safer, stronger and stay bright longer. They have the famous Ford V-8 engine (85 hp in the De Luxe Ford. Choice of 85 or 60 hp in the Ford)—which blends 8-cylinder smoothness with economy.

You've never seen cars with so much performance, style and comfort at such a low price. Get acquainted. You'll enjoy the experience!

22 IMPORTANT FORD FEATURES

FOR COMFORT—More room inside. New Controlled Ventilation. New torsion bar ride-stabilizer.* Improved spring suspension.* Self-sealing shock absorbers. Two-way adjustable driver's seat. New-type resilient front seat backs. New "Floating-Edge" Seat Cushions.

FOR CONVENIENCE—New Finger-Tip Gearshift. Engine more accessible. Two-spoke steering wheel.

FOR SAFETY—Sealed-Beam Headlamps. Dual windshield wipers at base of windshield. Larger battery. Battery Condition Indicator on all models.

FOR SILENCE—Improved soundproofing. "Easy-shift" transmission. Curved disc wheels. Improved drums for big Ford hydraulic brakes.

FOR STYLE—New exterior beauty. New interior luxury. New instrument panel. *85-hp models only

SOCIETY NOTES

Grace Sutcliffe of Wilmot is Bride in Oak Park Ceremony

Planning to make their home at 228 Franklin Grove, Elmhurst, Ill., are Dr. Kenneth McEwen and his bride, the former Grace Margaret Sutcliffe of Wilmot. The couple are now on a two weeks' honeymoon trip to the Smoky Mountains region.

A number of Wilmot relatives and friends were present at their marriage Saturday afternoon at 4 o'clock in the Oak Park, Ill., Christian church, where the Rev. C. Fisher read the service.

The former Miss Sutcliffe has since her graduation at the Union Free High school been employed as assistant clerk in the Oak Park Telephone company offices.

Dr. McEwen, who is a graduate of Loyola college, Chicago, is associated with Dr. E. Gutzman of Elmhurst, who also maintains offices at Villa Park.

Events honoring the couple previous to the wedding included a dinner for the bridal party Thursday evening in the home of the bride's aunt, Mrs. L. R. Young of Berwyn.

* * *

ANNUAL ATWELL FAMILY BIRTHDAY DINNER HELD

The "Atwell Family Birthday dinner," which has been celebrated in October for several years, was held Sunday in the Arthur Atwell home, Lake Villa.

Those present included:

Robert Delaney of Waukegan; Lilian Atwell, Mr. and Mrs. Henry Atwell, Mary Atwell of Lake Villa; Harold Phamnenstil of McHenry; Mr. and Mrs. Fred Nielsen and sons, Freddie, Jr., and Teddy of Lake Villa; Mr. and Mrs. Will Atwell and children, Ruth and Walter, of Ivanhoe; Mr. and Mrs. Arthur Atwell, Mr. and Mrs. Lloyd Atwell and Lloyd, Jr., of Lake Villa, and Mr. and Mrs. Charles Wilson of Zenda, Wis.

* * *

CEDAR LAKE P. T. A. HOLDS CARD PARTY

Mrs. C. A. Anderson, president, and Mrs. W. Hurley, vice-president, are in charge of a card party being held by the Cedar Lake Parent-Teacher association this afternoon at the Anderson store on highway 59.

"Future Citizens" was the title of a talk given by L. Dickson of the Gurnee High school at a meeting of the association Monday evening.

Refreshments were served after the program.

* * *

COMMITTEES NAMED BY SALEM P. T. A.

Salem P. T. A. committees appointed at a meeting last Tuesday evening included the following:

Visiting, Mrs. Fred Stephens, Mrs. J. Schmidt; Mrs. Leo McVicar; refreshments, Mrs. C. King, Mrs. G. Zellhafer, Mrs. Beaster.

Charles Curtis and his group of young folks were in charge of the entertainment Tuesday evening.

Closing Out This Week

Altar and Rosary Society, Card Party, Oct. 26, St. Peter's Hall.

Friendship Circle Card Party Nov. 9th at Grade school.

Methodist Friendship Circle, Second Thursday.

Lake County Catholic Youth Federation, October 22, afternoon and evening, Lake Forest.

Annual Hallowe'en Hard Times Harvest party, by the Holy Name Society, October 31, St. Peter's Hall.

SODALITY NEWS

At the second meeting of the Young Ladies Sodality for this year held recently in the church auditorium, Father W. Cussack Morris, assistant pastor of St. Peter's church and the new chaplain of the Sodality, showed the group pictures he took in technicolor of the New York World's Fair and of the trip the young ladies recently took to Holy Hill in Wisconsin.

Plans were made for a Sodality library which will be open on Sunday mornings before and after masses. The library is to be in the charge of Miss Irene Pachey and Miss Lucille Sherman.

At the conclusion of the meeting delicious refreshments consisting of Officers of the Sodality include: Miss Mabel Brogan, president; Miss Mary Cosgrove, secretary; and Miss Irene Pachey, treasurer.

Lynch Warns Against Quail and Pheasant Shooting Before Nov. 10

Thomas J. Lynch, Director of Conservation, has issued a warning to hunters that the quail and pheasant season in Illinois does not open until

Nov. 10. Lynch said reports had reached the Department that a few hunters were now shooting pheasants and quail.

Director Lynch said reports indicate that, as a whole, coot hunters are obeying the game laws and only in a few cases were hunters found to be taking ducks ahead of the season which opens October 22. These were arrested and paid heavy fines. The coot season, which in past years opened simultaneously with the duck

season, was advanced this year in the northern part of the State.

Billy Quake and Alvin Pagel of Wilmot were severely injured and the former's automobile was completely wrecked Sunday evening when dazing headlights of an approaching machine temporarily blinded Quake.

The car driven by the latter left the roadway and went out of control, striking a large oak tree at the Seidenschlag corner in Randall, also known as the Cairns corner.

Both lads were thrown from the car and lay unconscious from 11:30 p. m. until they were discovered at 1:30 a. m. by Quake's brother, Clyde, and Fred Fisher.

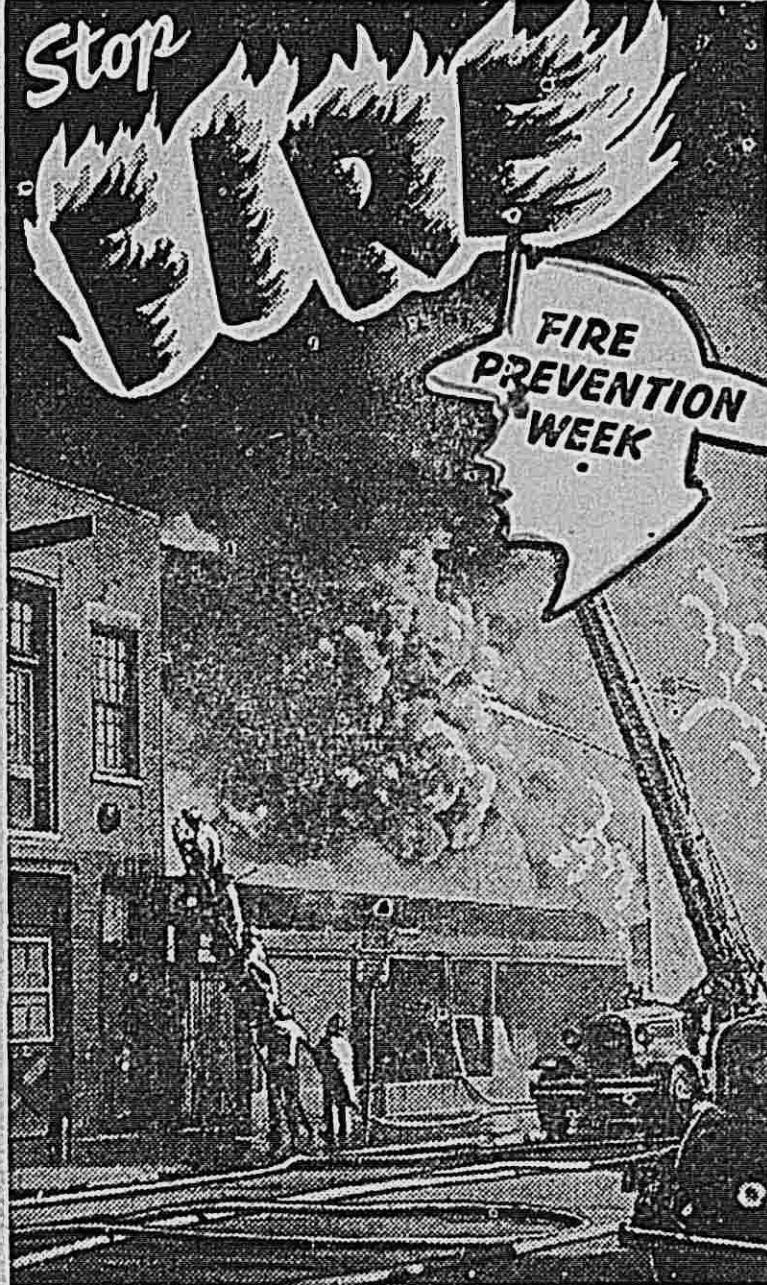

The lads were reported on Monday to be recuperating at their homes, and it is said that their injuries are not considered serious.

The driver of the car that caused the accident did not stop to aid the boys.

A car driven by Howard E. Foley of Lindenhurst Farms, Lake Villa, skidded off the road and turned over into a ditch early Monday near the Lake County General hospital, Waukegan.

**Don't Fail to Heed These Warnings! Practice Safety Methods! Be Sure You are Insured!****DON'T**

- leave oily rags to accumulate in the cellar or out-of-the-way corners. Fire by spontaneous combustion may result!
- use explosive cleaning fluids. Many fires are caused when cleaning is done at home.
- Depend upon cheap electrical wiring or inferior appliances and fixtures. Use only approved wiring.
- drop burning matches indoors or outdoors. Use ash trays or make sure that match is out before throwing it away. Stop fire.

**DON'T**

- neglect cleaning and repairing flues and chimneys. Many fires are caused by sparks from a defective chimney. Stop fire.
- fail to protect open lights and to screen open fireplaces.
- thaw out frozen pipes with an open flame. Use only rags that have been saturated in hot water. Be careful—stop fire.
- keep matches, cigarettes or cigar stubs where your children can get them.

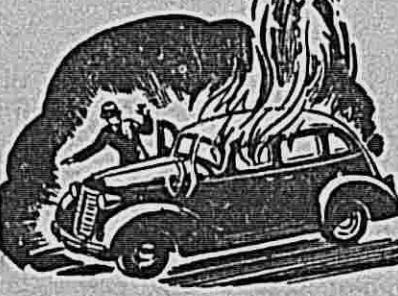

**OFFICIAL PROCLAMATION
BY MAYOR GEO. B. BARTLETT**

WHEREAS, it has been deemed a commendable practice by Federal, State and Community Governments to recognize Fire Prevention Week; WHEREAS, it is a worthy week observed to educate the public to practice safety methods and to inform peoples of the tremendous loss of life and property instituted by conflagration; THEREFORE, I, George B. Bartlett, Mayor of Antioch, do proclaim October 8 to 14 as official Fire Prevention Week.

This Page Sponsored by the Following Antioch Merchants and Professional Men.

THE TEMPTATION OF JESUS

LESSON TEXT—Matthew 4:1-11.
GOLDEN TEXT—“We have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin.”—Hebrews 4:15.

Temptation is the common lot of all mankind (I Cor. 10:13). The strongest and most noble of men are subject to it; angels were tempted, and our scripture reveals that even Jesus was tempted. We recognize that Jesus was tempted as the Messiah (vv. 3, 6) and as one without sin (Heb. 4:15), but it is also true that He was tempted in all points as we are, apart from sin, and that we may learn from His temptation how we may meet and be the victors over temptation.

I. What Is Temptation?

“Temptation is seduction to evil, solicitation to wrong. It stands distinguished from trial thus: trial tests, seeks to discover the man's moral qualities or character; but temptation persuades to evil, induces, that it may ruin. God tries; Satan tempts” (A. M. Fairbank).

Temptation is not sin, but yielding to temptation is sin. Luther said, “We cannot keep the birds from flying over our heads, but we can keep them from building nests in our hair.” Temptation comes from within, that is, from our own lusts (James 1:13, 14). Satan also tempts us (Eph. 6:11). God may permit temptation as a means of proving our faith (James 1:2, 3).

II. How Temptation Works.

It is significant that the temptations of Jesus were along the three-fold line of the temptations of Adam and Eve (Gen. 3:6) and the general threefold temptation of all men, namely, the lust of the flesh, the pride of life, and the lust of the eyes (I John 2:16). These three temptations really exhaust Satan's bag of tricks, but he can dress up these three fundamental temptations with almost endless variety. He works

1. By appealing to the flesh (vv. 2, 3). He observes the normal appetites and desires of a man's body, excites them to a high degree, and then suggests an improper method of satisfying them. Hunger is normal and a sign of good health. Jesus had fasted forty days and Satan took advantage of that fact to suggest the use of His divine power to satisfy His hunger. This would involve a denial of His entire mission on earth, namely, the redemption of man by a divine person who had become a real man.

2. By appealing to pride (vv. 5, 6). Satan misappropriated Scripture to tempt Jesus to presumption on the assumption that He was exercising faith. God had promised to keep Him “in all his ways” (Ps. 91:11). To cast himself down from the temple was not one of the ways in which Christ was called to walk. Satan comes to us with the same kind of temptation. If He cannot get us to forsake faith, he tempts us to become fanatic and to proudly substitute presumption for faith.

3. By appealing to the eyes (vv. 8, 9). By showing Christ the kingdoms of the world and offering them to Him by the short-cut of a brief act of worship rather than by the way of the cross, Satan tempted Him again. Here the devil showed his true desire that man should worship him rather than God.

III. How to Meet Temptation (vv. 4, 7, 10).

1. By the right use of Scripture. If Jesus needed that weapon, how can we do without it? How can we use Scripture if we do not study it and hide it in our hearts?

2. By dependence on God. Every Scripture used by Jesus honored God. We cannot fight Satan in our own strength. To attempt to do so is to fail utterly. The real victory for the Christian is to bring Satan back to the cross where Christ won a decisive victory over him.

3. By denouncing Satan. Jesus sent him on his way. We may do the same in Jesus' name. It is always a serious error to try to argue with Satan or to engage in any discussion with him. Let us meet him with Scripture and with a “Get thee hence.”

IV. The Result.

Satan left and angels came to minister to Christ. The overcoming of temptation results in peace, victory, and blessing. This is ever so in the life of the believer. Temptation overcome makes us stronger to meet the next temptation, and also enables us to help our weaker brethren.

Framing Our Lives

Religion does not consist in the performance of certain ceremonial acts at specified times, outside which acts and times it has no place; but consists in framing our whole life, and all our acts, upon a distinct view of our position as created beings, charged by the fact of our creation, with duties both to our fellow creatures and to our Creator.—Edward Denison.

FARM TOPICS

SANITATION RETAINS GOOD MILK FLAVOR

CARELESS HANDLING MAY RESULT IN CONTAMINATION.

By PROF. H. A. HERMAN

The application of modern knowledge and sanitary methods enable the dairy producer and distributor to protect the fine flavors of milk which meet the favor of the consumer according to research at the Missouri college of agriculture.

Bacteria may cause changes in the flavor of milk. Contamination of the milk by bacteria may come from careless handling of the milk or milk utensils, at any or all stages from the cow to the consumer. Strict cleanliness, proper cleansing and sterilization of utensils, and holding milk at low temperature will eliminate most bad flavors due to bacterial contamination.

The exposure of milk to rays of the sun seriously affects its flavor. The presence of iron or copper salts with the action of sunlight causes a speedier action than would otherwise take place. The type of off-flavor developing in this instance is usually described as “tallowy,” “cardboard,” “metallic,” or “assistant.” The use of poorly tinned milk cans, buckets, coolers, or vats is responsible for many off-flavors, and in addition add copper and iron salts to the milk, which aids in developing the flavors associated with exposure to sunlight.

Washing compounds or chemical disinfectants, if carelessly used, may be responsible for the addition of foreign flavors. It is recommended that only readily soluble, free-rinsing cleaners free from odors, be used for milk utensils. Chemical disinfectants such as chlorine solutions used according to directions cause little trouble.

After the milk is drawn, unless the strictest care and cleanliness are exercised, various off-flavors may be acquired.

PASTURE DEVELOPMENT PAYS GOOD DIVIDENDS

Good pastures are good business for the farmer. In seven different districts of the country where the United States department of agriculture studied feed requirements for market milk production, pasture furnished nearly one-third of all feed, but was only one-seventh of the feed cost. On 478 corn belt farms, pasture furnished more than one-half the feed for beef cattle, but was only one-third of the total feed bill.

Because good pastures are a good investment, the AAA is helping many farmers in the northeastern, east central and a number of southern states to improve pastures with lime and superphosphate. In these regions, farmers may pay for lime and superphosphate with the conservation payments they earn for carrying out soil-building and soil-conserving practices. The farmers obtain the soil-building materials with the understanding that they use them to improve their pastures.

Farmers with depleted permanent pastures have found lime and superphosphate of particular value, for they aid desirable grasses and legumes in driving out and replacing weeds and poorer grasses.

BIN CAPACITY

One bushel of grain contains 1.25 cubic feet. One cubic foot contains .8 of a bushel. One bushel ear corn contains 2½ cubic feet. The floor area in square feet multiplied by 8, and this product divided by 10 gives the number of bushels in one foot height of bin.

A circular bin is measured as follows: The radius (one-half of the distance across) multiplied by the radius, multiplied by 22, and this figure divided by 7 will give you the cubic feet in one foot height. One cubic foot equals 7½ gallons, and one bushel equals 8¾ or 8.375 gallons.

FARMING BRIEFS

Terraces not only save soil, but are much less objectionable to cross than gullies.

If the combine or binder is greased and put away in good shape, it will be “ready for business” when next year's crop comes on.

One of the easiest sports to establish almost anywhere is quoits, or horseshoe pitching. Perhaps a twilight “barnyard gol” league might be popular among both old and young folks in a neighborhood.

Farm workers in Germany can't quit their jobs because of a recent order issued by Hitler. Farm owners cannot work elsewhere than on their own farms without official permission. Farmers and workers seem to be the chief sufferers from Fascism.

Where contour farming is practiced this leaves short rows, and sometimes small areas in a field that are not cultivated. Farmers are now using electric fences to pasture these odd-shaped areas.

WILMOT

Mrs. Paul Voss and daughters, Virgine and Avis, and Mr. and Mrs. Clinton Voss were in Kenosha Saturday.

The Oak Knoll P. T. A. is sponsoring a dance at the school on Saturday evening, Oct. 14. The Quake orchestra will play.

Children of the Holy Name parish are to attend catechism classes at the rectory every Saturday morning at 9:00 A. M. The Junior Newman club meets at the rectory every Wednesday evening at 7:30.

Mr. and Mrs. Henry Leiting spent Sunday at Slades' Corners with Mr. and Mrs. Walter Rasch.

Mr. and Mrs. Ray Ferry, Zion, spent Saturday with their parents, Mr. and Mrs. T. C. Loftus.

Mr. and Mrs. Harry McDougal were in Milwaukee for the day, Monday.

Mr. and Mrs. Don Herrick and son, Chicago, spent Sunday with Mr. and Mrs. Harry McDougal.

Mr. and Mrs. Frank Kruckman attended the Charles Kruse funeral at Richmond on Sunday afternoon.

Mr. and Mrs. J. A. Nolan, Oak Park, and Mr. and Mrs. I. W. Carey, Antioch, were dinner guests Sunday of Grace and Erminie Carey. Monday, Mrs. W. Dobyns, Gene Dobyns, of McHenry and Mr. and Mrs. R. Scanlon and daughter, Helen, of New Orleans were other guests.

Mr. and Mrs. William Anderson and daughter of Woodstock were guests on Sunday of Mr. and Mrs. Ray Rudolph. Bobby Rudolph spent the week-end with his grandparents, Mr. and Mrs. John Peterson, at Randall.

Mr. and Mrs. Earle Hyde, Crystal Lake, spent Sunday with Mr. and Mrs. Frank Kruckman.

Mr. and Mrs. Paul Ganzlin spent Sunday with Mr. and Mrs. Russell Schmalzfeldt at Kansassville.

Lawrence Hyde returned to his home in Los Angeles, Calif., after a stay of two weeks with his brother, George Hyde.

Mr. J. Sarbacker returned Sunday after a visit of several days with her

daughter, Mrs. August Burkhardt, at Woodstock.

Eugene Wilbur of Milwaukee spent Sunday with Mr. and Mrs. Frank Burroughs.

UNION FREE HIGH SCHOOL

The fourteen members of the judging class that were in Madison for the annual Judging contest from Thursday to Saturday at the Wisconsin University have returned and all fourteen received creditable rating. They were accompanied by Principal and Mrs. M. M. Schnurr and Mannie Frey. The teams were rated on the judging of Dairy Cattle; Fat Stock; Dairy Products and Meat. On Saturday they all attended the Texas-Wisconsin game.

The school football team tied 9-9 in the game with Walworth last week. They play here on Friday of this week with Union Grove as opponents. The game is to be held in the evening at the school park.

HICKORY

Mrs. E. W. King called on Miss Grace Tillotson at the Kenosha hospital Friday afternoon.

Mrs. Jennie Pickles visited the D. B. Webb home Sunday evening.

Mr. and Mrs. Hugo Gussarson visited Mr. and Mrs. Olsen at Algonquin Monday, Oct. 9.

Mrs. Cora Brewer and Mr. and Mrs. Fred Ray of Wadsworth visited the John Crawford family Saturday, Sept. 30.

The Misses Eleanor and Marion Lossman and Bob Brooks from Waukegan called at Max Irving's Sunday afternoon.

Miss Harriet La Cross, Miss Bessie Medler, and Miss Sophie Fisher from Chicago visited the Tillotson and Thompson homes Sunday afternoon. Miss Carol Tillotson returned to the city with them to spend a week at the La Cross home.

Mrs. George Ryckman and Mrs. Frank Salisbury of Waukegan visited the Max Irving family Thursday.

Mr. and Mrs. Clarence Crawford and Miss Lucille and friend, Walter Cyzmer, of Waukegan visited Sunday

afternoon and evening at the John Crawford home.

Mr. and Mrs. Peter Geyer of Chicago spent Sunday at the Nels Nielsen home.

Mr. and Mrs. H. A. Tillotson and Miss Carol visited Miss Grace Tillotson in Kenosha hospital Tuesday afternoon, Oct. 3.

The Rev. Melvin Frank of Millburn called at the John Crawford home Monday of this week.

afternoon and evening at the John Crawford home.

Mr. and Mrs. Peter Geyer of Chicago spent Sunday at the Nels Nielsen home.

Mr. and Mrs. H. A. Tillotson and

Miss Carol visited Miss Grace Tillotson in Kenosha hospital Tuesday afternoon, Oct. 3.

The Rev. Melvin Frank of Millburn called at the John Crawford home Monday of this week.

SALEM

Mrs. Janet Fletchet, Mrs. Arthur Bloss, Lulu Root, and Jennie Loewer spent Thursday in Chicago.

Mrs. Eldon Allen and children of Richmond spent Friday with her parents, Mr. and Mrs. A. C. Stoxen.

Mrs. Stanley Stoxen of Bassett visited her sister, Mrs. Byron Patrick, Friday.

Mrs. Harry Krahn and Mrs. Effie Cull were in Kenosha Tuesday.

Mrs. Lester Dix and Judith and Mrs. A. C. Stoxen were in Burlington Wednesday and visited Mrs. Walter Rasch at the hospital there.

Mrs. Susan Manning left Friday for Florida, where she will spend the winter with her daughter, Mrs. Lloyd Henslee.

Mr. and Mrs. Milward Bloss and Jackie spent Tuesday evening with friends and relatives in Kenosha.

Word has been received from Olive Hope in Martinez, Calif., that her sister is somewhat improved.

Mrs. E. T. Manning and daughter, Mrs. E. Schultz were Kenosha shoppers Tuesday.

Those attending the Bristol Eastern Star meeting Wednesday evening from Salem were: Evelyn Woodbury, Hazel Kistler, Mrs. Doune, Mrs. O. Riggs, Mrs. A. Feldkamp, Mrs. Ada Hunttoon, Cora Klusmeyer, Mrs. Fred Stephens, Mrs. Byron Patrick.

Mrs. Frank Kistler of Milwaukee is spending this week with Evelyn Woodbury, and is assisting in the store, while Mr. and Mrs. C. King are enjoying a trip through the south.

Mr. and Mrs. Howard Deed of Padocks Lake spent Monday evening with Mr. and Mrs. Byron Patrick.

Florence Bloss and Harold M-

Sweeney of Delavan spent Saturday evening with the home folks.

Mrs. Helen Bushing spent Saturday afternoon with Mrs. Byron Patrick.

Miss Wilma Schmidt spent the week-end with her parents, Mr. and Mrs. Frank Schmidt.

Mrs. E. Cisna and son, William, and Robert Patrick called on Dan Demo at the Kenosha hospital Sunday evening.

Mr. and Mrs. Byron Patrick and Mrs. Luannah Patrick were in Rockford Sunday and visited Mrs. Andrew Rafferty and children. In the afternoon they called on Andrew Rafferty at the Municipal sanatorium.

Mr. and Mrs. E. H. Hartnell entertained for dinner Sunday Mr. and Mrs. Minor Hartnell and children, Mr. and Mrs. Harold Fenema and Clarence and Will Cook.

Mr. and Mrs. Leo McVicar were Kenosha visitors Sunday.

LONGEST BEACH

Longest ocean beach in the world is said to be 28-mile long Long Beach in the state of Washington. It is one of the principal recreation centers on the Pacific shoreline of Washington.

Liquid Air Engines

The Japanese are running engines on liquid air at -218 Fahrenheit. A small unit is said to have pushed a 2-foot boat along at 4.6 knots, for an hour and a half.

LAKE VILLA

Lake Villa Community Church Methodist—I. B. Allen, Pastor Sunday School 10 A. M. Worship Service 11 A. M. Oct. 15 is Rally Day for the Sunday school and the promotion exercises will take place during the worship hour at 11 a. m. It is hoped that the parents may be there for this service. Two new rooms have been heated and provided for use of the Sunday school for the winter.

A campaign for funds will be made this month by the stewards and others and it is hoped that everyone will help in some way. The pastor, his official board, and the Sunday school teachers report a successful year closed Oct. 1 and want to thank the people of the community for their co-operation which made it possible. Our only hope is that we might do even more for the sake of the Lord and for the good of the community during the coming year.

The Ladies Aid society met with Mrs. Cribb last week and elected the following officers for the coming year, Oct. 1939 to Oct. 1940: President, Mrs. Charlotte Wagner; vice president, Mrs. Helen Weber; secretary, Mrs. Helen Fish, and treasurer, Mrs. Florence Whitaker. They will sponsor a public party and dessert luncheon at the village hall on Wednesday, Oct. 18, and will appreciate your support. Watch for date of the annual chicken dinner during early November.

Fred Funk fell from a tree which he was trimming last week and is confined to his home with an injured hip.

Mrs. J. O. Hucker and son, J. O. Hucker, Jr., who is postmaster here, left Sunday for Washington, D. C., to attend postmasters' convention and expect to make other interesting trips from there, to be gone ten days or so.

Mr. and Mrs. Joe Petru and family and the Misses Anna and Libbie Petru of Chicago were guests of Mr. and Mrs. Fred Hamlin on Sunday.

Mr. and Mrs. Raymond Sherwood left here early last week for their winter home in Florida after spending the summer with their son, Clare Sherwood and family.

Mrs. and Mrs. G. Swanson and daughters, Miss Evelyn, Miss Elsie and Mrs. Polland, enjoyed an outing and automobile trip to Port Washington, Wis., on Wednesday of last week.

Mr. and Mrs. Carl Seeger and Mr. and Mrs. Richard Whitaker were entertained at the home of Mr. and Mrs. Paul Seeger in Kenosha last Thursday evening on the occasion of Carl Seeger's birthday anniversary.

Kenneth Hart, cashier of the local bank, left Saturday with friends for a three weeks' vacation hunting and fishing trip in northern Wisconsin and South Dakota.

Mrs. Lottie Barnstable, worthy matron of the O. E. S. at Millburn, attended Grand Chapter in Chicago early last week, returning home Wednesday.

Mrs. L. C. Hamlin visited her sister in Chicago last Sunday.

Mr. and Mrs. Walter Schneider of this village and Mrs. Helen Hanson of Grayslake spent a day recently in Racine.

Mr. and Mrs. Anderson and daughters of Chicago came Saturday after-

noon to visit Mrs. Anderson's mother, Mrs. James Leonard, and remained until Sunday afternoon.

Mr. and Mrs. C. B. Hamlin visited relatives in Iowa last Saturday and Sunday.

About thirty friends of Mr. and Mrs. George Nowick surprised them at their home at Crooked Lake a week ago to celebrate their fifth wedding anniversary.

Mr. and Mrs. Fred Stahmer returned home last week after spending a week at Woodruff, Wis.

Mrs. S. B. Lowrie of Akron, Ohio, whose husband was pastor here more than twenty years ago, called on friends here Tuesday.

Poisonous Venom
The quantity of venom injected into a victim when bitten by a poisonous snake depends upon the size of the snake, the length of time the poison has been accumulating, the depth of the fang thrust and the location of the bite.

Coffin Weighs Four Tons
Buried in full dress 3,000 years ago, a chieftain has been discovered recently in a tree-trunk coffin weighing four tons, near Castleton, England.

Another Fish Story
William Haskins and Frank Coon, of Caldwell, Idaho, caught a 400-pound sturgeon in Snake river after a six-hour battle.

Seat of Justice
The seat of Bolivar county, Mississippi, used to be on a Mississippi river flatboat, which took justice to the people instead of their having to come to the seat of justice.

Montana's Rome
The city of Butte, Mont., has 10 times as many underground passages as it has streets. The tunnels are in copper and zinc mines.

Costly Relocation
It will cost \$17,500,000 to relocate railroad trackage which will be flooded by the new Shasta dam in California.

Lions Protected
Mountain lions and other predators are protected in the national parks.

Floor Sanding
Your old floors made like new. New floors made perfect. On request, finished with acid-resisting varnish or wax finish. Call

Yesterdays**45 YEARS AGO**
In the Antioch News Files

Oct. 11, 1894

A balky horse, driven by Pete Overton, created fun for the populace on Lake avenue Thursday last. He wouldn't go ahead, but as a backer he was a success.

On Tuesday, Oct. 2, at the residence of Mr. and Mrs. John Drury, occurred the marriage of their daughter, Belle, to Daniel Longman.

Mrs. W. C. Scherf and sisters, Misses Bartlett and Pitcher, attended the Richmond races Saturday. The Manard bullet-proof coat is among the sensational displays now being shown at the Kohl and Middle-dime museum on Clark street, Chicago.

Miss Ida Robinson, a compositor

on the Review, Sigourney, Iowa, was the first woman to vote under the right of suffrage granted by the last Iowa legislature.

30 YEARS AGO
Oct. 14, 1909

"Salmon" offered for sale in Illinois markets is frequently carp from the Fox river and nearby streams, given a bath of pink paint and then subjected to treatment in "liquid smoke," investigators of the state food commission discovered this week.

The town board of Round Lake held a special meeting last week and discussed the prospects of a new town hall.

The parents of Lee Chase, Warner Carlson and Archie Siver of Russell were very much alarmed on Friday night when the boys failed to return from school. No word was heard of the boys until the next afternoon at about 3 o'clock when they were tired and hungry enough to return home.

Their plans were to go out west, but after going a few miles they concluded to return.

15 YEARS AGO

Oct. 16, 1924

Miss Dorothy Hucker, daughter of Mrs. Vida Mooney, and Alonzo Runyan, only son of Mr. and Mrs. William Runyan, were united in marriage Tuesday morning at 10:30 o'clock by the Rev. E. L. Stanton of the Methodist church.

Harlo Cribb was seriously injured last Wednesday afternoon while operating a tractor excavating for the basement of the new Peacock home at Lake Villa.

Antioch's oldest building landmark will be a thing of history with the

passing of the King drug store building on Main street, which is being wrecked this week to make room for a modern brick building. According to history furnished by Mrs. D. A. Williams, the old wooden structure was built prior to 1843, and was occupied by Munson Bros.' store. In 1843 the first Antioch grade school occupied the rooms on the second floor.

Turkey Talk

A mild hailstorm brought disaster to Perry O'Dell's turkey flock at Alliance, Neb. Three hundred young turkeys became frightened by the hail, piled up in a heap and smothered to death.

Legion Elects Alternate; Votes Aid For P. T. A.

Damlos . . .

(continued from page 1)

Walter Hills was elected as an alternate in addition to the regular selection, at a meeting of the Antioch American Legion post last Thursday evening in the Legion hall.

He takes the place of John Horan, who has been appointed post adjutant and therefore automatically becomes a delegate.

The post voted to give the Antioch P. T. A. \$10 to help in carrying out its dental program for school children during 1939.

The Legion's executive board is checking dates for a VLS stage show to be held late in November under post jurisdiction, for the benefit of the Junior Drum and Bugle corps.

Firemen . . .

(continued from page 1) ing the year amounted to \$550.50. In 1938 compensation amounting to \$530 was paid and in 1937, compensation amounted to \$475.

The reason for the compensation increases in 1938 and 1939 was stated as being due to a raise in the hourly rate from 50 cents to \$1.00 for grass fire calls.

The average attendance at meetings during the year was 22, and the average attendance on fire calls was 13.

Re-elect Officers

All officers of the department were re-elected.

They include L. D. Powles, president; Clarence B. Shultz, secretary; George Garland, treasurer, and John Gaa, sergeant-at-arms.

Elmer Hunter was elected for a three-year term as delegate to the Lake County Firemen's association, succeeding George Miller. The other delegates are Robert Wilton, entering on the third year of his term, and John Horan, beginning his second year.

John Horan and Elmer Hunter were chosen delegates to the Illinois Firemen's association convention at Kankakee Oct. 17-19, and Howard Strang and Dudley Kennedy were named alternates.

Honor Kenosha Men

The presentation of two gold firemen's badges conveying honorary membership in the Antioch fire department was an outstanding feature of the evening.

Captain Howard Gatley, Kenosha County Boy Scout executive and captain of the Kenosha County Red Cross first aid squad, and Lieutenant Arthur LaCross of Station One, Kenosha fire department and lieutenant of the Kenosha County Red Cross first aid squad, were the men honored.

The presentation was made "for services rendered to the community and the fire department." The Kenosha County Red Cross has assisted in several emergency calls, particularly in the recovery of the bodies of drowning victims.

Antioch Camera Club Will Resume Meetings

"Tex" Wiley, WPA photography expert for the recreation projects of Lake county, will again be the instructor for the Antioch Camera club, which will resume its meetings at the Antioch Grade school on Tuesday afternoons and evenings. Anyone interested in photography is invited to join the club, it is announced. There are no membership dues.

Besides his work as adviser in Antioch, Mr. Wiley has also organized successful camera clubs in Zion, North Chicago, Libertyville and Deerfield. Members of these clubs are preparing photographic studies for a large county exhibit to be held at the Waukegan Public library the week of Nov. 13-18.

Plans are being made to have the exhibit brought to Antioch the following week.

Legion Ladies Attend Elgin, H. Park Events

Members of the Antioch American Legion auxiliary who attended a "caravan conference" held at Elgin all day Monday include Mmes. Helen Osmond, Agnes Hills, Ethyl Zimmerman, Alma Harden and Maud Johnson.

On Tuesday, Mmes. Osmond, Hills, Carolyn Horan and Betty Mortenson attended a card party sponsored by the Highland Park auxiliary for the benefit of its hospital funds.

A meeting of the Antioch auxiliary will be held in the Legion hall Friday evening at 8 o'clock. On Oct. 27 a social meeting is to be held.

Dohertys to Open Dance Studio Here Next Week

Howard and Henrietta Doherty, Kenosha dancers, are planning to open classes in tap, toe, ballet and ballroom dancing here. Registration day has been set by them for Monday, Oct. 16, in the Danish hall, from 3:30 to 6 p. m.

Makes Addition to Tavern at Loon Lake

Charles Cermak, Sr., is making a substantial addition to his tavern at Loon Lake to provide room for the extension of his bar and better facilities for dancing. The remodeling job will be completed in about two weeks, the proprietor said.

Round Up Young Voters For "Citizenship Day"

October 15 has been proclaimed by Governor Horner as "citizenship day"—the day set aside in honor of all the young men and women who have attained the age of 21 and are eligible to vote at the next election.

In Lake county the day will be observed with a program to be held at 3:00 p. m. at the American Legion home in Waukegan. There will be a

speaker, and there will be refreshments and dancing.

The general committee for the event has asked all precinct committeemen in the county to round up the young voters and to extend special invitation to them to attend. Young people in Antioch vicinity who wish transpor-

tation to Waukegan are asked to notify Charles Cermak, Jr., committeeman precinct two. His telephone number is Antioch 374.

Illinois Admission
Illinois was admitted to the Union in 1818.
